

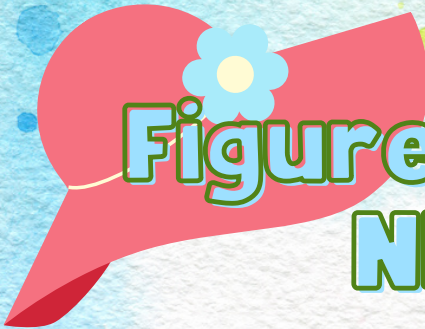

Figure 8 Skating Club NEWSLETTER

JULY 2026

Message from the President

Hello Skaters and Families,

After a successful ice show in June, we move into warm and sunny July (hopefully with less rain)! Please check our website for skating programs that are available for registration. Summer skating allows skaters to keep up on skills developed earlier in the year and work on new ones. Plus, it's a great way to stay cool during the heat!

Information regarding our fundraising casino in August will be available shortly. Please consider volunteering as it is a significant way the Club raises funds for its programs.

See you on the ice!

Asif Ali

DON'T FORGET TO DRESS UP AND HAVE SOME FUN!!

ICE SHOW 2026

Huge congratulations to Charlotte Prokopuk and Abby Nerbas on their high school graduation. We are so incredibly proud of your hard work, dedication and achievements both on and off the ice. Wishing you both the very best in your next great adventure.

Also, congratulations to our coach, Danielle, who graduated from university this year! Balancing university studies with coaching is no easy task, but you crushed it! Congratulations, Coach!!
